

# AS350/355 PILOT SEAT SHIFT KIT

MOD.AW.1338 MOD.AW.1264, MOD.AW.1325

The Pilot Seat Shift Kit allows for a shift of the pilot seat 90mm out board from standard position, affording superior visibility when undertaking cargo hook or long lining missions. The collective and pedal extension re-centralise the seating position for best ergonomics.

For installation on a/c model;

AS350 B, BA, B2, B3, D  
AS355 F1, F2, N, NP

**PRICE:**  
NZD \$9,700

## Key Features/Benefits
